“ CHRISTINA DARLING PRIME MIX MARKETING

Prime Mix Marketing Ltd has been a Member of Herefordshire and Worcestershire Chamber of Commerce for over 6 years and they have provided vital support in a range of services. From HR and Legal advice, to networking and recommendations for suppliers, the Chamber continues to be the first port of call for helping to grow our business. I highly recommend joining the Chamber to businesses of all sizes as they are a proactive organisation who's focus is on supporting local industry.

“ HOLLY COPSON COPSON SOCIAL

After taking the plunge to become self-employed, I was a little overwhelmed by the various offerings of help and support available to me. However becoming a Member of the Herefordshire & Worcestershire Chamber of Commerce was undoubtedly one of the best moves I have made. In the first few months of Membership I attended multiple networking events, benefited from online training sessions and had access to tonnes of advice for small business owners, just like me. The communications I receive make me feel like a valued Member, despite my small company size, and by being able to contribute to the Quarterly Economic Surveys, I know I'm helping to shape economic change.
