What are TYRO Events?

TYRO Events are a series of free quarterly events to inspire young professionals to network with other delegates and support local businesses. Each event will take place at a different venue located in Worcester City Centre with an informative speaker to motivate and develop attendees in their careers. These events are fun, informal and aimed at professionals who have never been networking or want to develop their confidence.

Supporting the next generation of professionals

At the Chamber, we are just as focused on the business leaders of tomorrow, as we are on those of today. This generation of professionals are on their journey to success and we know that, by supporting and developing them now, we are giving them some great tools and skills to take forward in their career.

The Benefits:

- Develop your CSR portfolio by supporting the next generation
- Support the Chamber to help bridge the current skills gap in Worcestershire
- The opportunity to speak for 15 minutes at the event
- A link to your website in all promotional material (social media, press releases, e-newsletters)
- The opportunity to feature in our Business Direction Magazine, distributed to over 4000 businesses
- Your company name, logo and profile added to our website on the TYRO pages
- The opportunity to display two pop-up banners at the event
- The opportunity to bring your own promotional materials (such as flyers) to distribute at the event
