

# MERCHANT 701

Merchant 701 invites you to join us to explore the high-performing lime products and natural insulation systems from Lime Green Products - designed specifically for repair, renovation, and retrofit projects.

**Saturday March 21st 09.00 to 13.00**

**RSVP [alistair.symon@merchant701.co.uk](mailto:alistair.symon@merchant701.co.uk)**

View a modern lime and natural insulation system, with a hands on product display Understand how lime supports healthy buildings with straightforward technical guidance.

See where natural insulation fits best in heritage and existing structures.

Get practical insight for specification, application, and detailing with time to ask questions and discuss real projects.

All while enjoying a cup of tea or coffee.
