# What our Members Say

---

*"Over the past two years, running workshops and group coaching sessions for my Profit Acceleration initiative at the Chamber's HQ in Worcester, I've always received warm hospitality.*

*Logistics — room setup, food, and even early 7am starts to suit my small business owner audience — have been handled perfectly every time by Amanda and Olivia. If you're looking to host any kind of educational event, I cannot recommend them highly enough."*

**Peter Baylis**  
PEB Marketing Academy

# What our Members Say

---

*"Lovely venue, car parking was excellent, lovely food and refreshments, good IT facilities. The office was a good location and convenient to the motorway for commuting. Health and Safety was excellent and explained on arrival.*

*In addition, I would like to say how welcome the Chamber made us all feel, the welcome pack was lovely and appreciated by all. Nothing was too much trouble and the hire was good value for money."*
